PART C THE APPLICATION DETAILS

Please review selection criteria and the separate note on “Advice to Applicants for SSAC Post-secondary Awards” before completing

Please describe the role that creativity and the arts (visual and/or performing, including the creative arts) have played in your life and your aspirations for integrating the arts into your career. Provide a description of your artistic achievements and contributions to date, and of community-related activities that you have been involved with.

Describe the chosen program of study and outline why you have selected this particular program of study. Do you expect to be accepted into the program and if not what is your fall back option?

Special circumstances:

- If you intend to take a gap year, outline your plans for the year.
- If you have chosen to attend an institution outside of Canada provide a rationale for your choice, discussing why no Canadian institution provides a comparable program.

You may attach up to 2 additional pages for Part C if required
